Harrisburg Schools Plan Special Periods for Education Week

The schools of Harrisburg are joining with schools throughout the United States in observing American Education Week Nov. 12-15.

The theme of AEW this year is "An Educated People Moves Freedom Forward."

Sponsored by the National Education Association, American Legion, and the U. S. Office of Education, the purposes of the project are:

1. To increase public understanding and appreciation of education.
2. To explain the present-day school program, current teaching material and newer teaching methods.
3. To increase pupil appreciation of their school.
4. To reveal school needs and problems.
5. To encourage and strengthen co-operation between school and home.

Open House at HTHS Nov. 18 for Education Week

The Harrisburg Township high school will hold open house for parents and friends of the school on the evening of Nov. 18. This will be part of the school's observance of American Education Week.

The visitors will register and then meet in Bonnell Gym, where the teachers will be introduced. A short program by the music department will follow. Tours will be conducted by members of the Student Council, who will then direct the visitors to the various classrooms and displays. The parents may confer with the teachers, each of whom will remain in his own room.

Special demonstrations will be given in the industrial arts, art, business and science departments.

Topics to be discussed during American Education Week include:

- Nov. 10—Education for moral values.
- Nov. 11—Education for responsible citizenship.
- Nov. 12—What our school should achieve.
- Nov. 13—Ways to provide better education.
- Nov. 14—Our community's teacher (National Teachers' Day).
- Nov. 15—School-community relationships.
- Nov. 16—Our own responsibility. "American Education Week is quite significant to our school and to our patrons," Principal Ellis Henson states.

"We hope through our activities that week to help taxpayers and patrons understand and appreciate the schools they support."

24 Past Masters Present at Annual Observance by Harrisburg Masons

An excellent dinner prepared by members of the Eastern Star, an almost perfect attendance of Past Masters and a top speaker contributed to a most successful Past Masters' night at the Harrisburg Masonic lodge Friday evening.

Twenty-four out of 27 living Past Masters of Harrisburg Lodge No. 325, A. F. & A. M., were in attendance at the event, in addition to others prominent in Masonry.

The Rev. W. L. Cummins, a Past Master of one of the Johnson county lodges, was the speaker of the evening. He discussed Masonry as a so-called secret organization which, he said, is not secret, because its meeting place, its membership and its aims are known to all.

Richard C. Davenport, past Grand Master of the Illinois Masonic Grand lodge, present Grand Secretary and dean of the Past Masters of Harrisburg, headed a list of notables received officially or introduced.

Others included Everett M. Stricklin, district deputy Grand Master, who introduced Frank Vaughn, Fairfield, Ira DeZouché, Wayne City, Royal C. Hoerner, Grayville, S. Dyer Campbell, Pinckneyville, and Delmar F. Faughn, Metropolis, other deputies.

Frank S. Gladson, of Pinckneyville, Junior Grand Steward, Wm. Biggers, Harrisburg, deputy Grand Secretary, and George E. Anderson, C. N. Stille, E. Bishop Hill and Paul Spangler, Grand lodge committeemen were introduced.

Others in attendance were recognized.

Of 27 living Past Masters, the following were introduced by E.

Three Men, Girl from Harrisburg, Vicinity Held by DeKalb Police

Chief of Police Ross Lane last night received a call from DeKalb, Ill., police that they were holding Lindell Tarleton, Charles Hutchison, Billy Hutchison and a 13-year-old girl, all from Harrisburg and vicinity.

Lane said he did not learn what the men were being held for, but was told that the girl would be released. Her parents left immediately for DeKalb to get her.

E. O. Joy, Edward E. Heiskari and William Dunn, all of whom live away from Harrisburg, were the three absent.

Kimmel to Receive 25-Year Service Award from IAA

L. B. Kimmel, Saline county farm adviser, will receive a 25-year Service to Agriculture award at the Illinois Agricultural Association's annual meeting in Chicago next week, Otto Steffey, IAA president, has announced.

"I wish to compliment you for your good record of service as a teacher and farm adviser," Mr. Steffey said in a letter to Mr. Kimmel.

"Qualifying teachers and farm advisers will be given lapel emblems Wednesday evening, Nov. 13, at a general session in the Grand Ballroom of the Sherman hotel in Chicago," the letter continued.

"The Board of Directors of the Illinois Agricultural Association cordially invite you and your wife to be their guests at a dinner that same evening at 6 p. m. in the Crystal Room of the Sherman. From dinner we will go directly to the Ballroom where seats will be reserved for our guests."

Mr. Kimmel began his work in agriculture nearly 30 years ago when he began teaching agriculture at Greenfield, Ill.

Massive Search of Pacific for Missing Airliner; 44 Aboard

Otis McGrew of Ridgway Dies of Bullet Wound

Found Near Home With .22 Calibre Rifle Nearby

Otis McGrew, 62-year-old resident of Ridgway, died Friday in Ferrell hospital, Eldorado, after suffering a gunshot wound and Coroner James Thornton said he was conducting an investigation of the incident.

Gallatin Sheriff Millard Holloway said McGrew was found around 3:30 p. m. Saturday lying by the road about fifty feet from where he lived in a section of Ridgway called "Honeye." He was first seen by Joe Foster of near Ridgway, Mr. Holloway stated.

There was a bullet wound over his left eye, and a .22 calibre rifle and an empty .22 shell were near him, the sheriff said.

The inquest will be conducted in Saline county because Mr. McGrew's death occurred here. Mr. Holloway said his investigation had not revealed any signs of foul play.

The sheriff said he was told Mr. McGrew had been in ill health for some time. He added that he made his home with two elderly women, Lizzie Cain and Anna Cain.

The body was moved to the Smith and Edwards funeral home in Ridgway.

The funeral will be at 1 p. m. Sunday at the Ridgway Methodist church with the Rev. Vernon Brown conducting the rites. Burial will be in Jackson cemetery.

Survivors include two brothers, Roy and Orb McGrew, both of Ridgway.

Tom Ellis, 88, Dies At Home of Niece In Dorris Heights

Tom Ellis, 88, who lived with his niece, Mrs. R. O. Womack, in Dorris Heights, died in the Womack home at 7:45 p. m. Friday. In addition to Mrs. Womack he is survived by his son Raymond G. Ellis, St. Louis, Mo., and five grandchildren.

Until five years ago, Mr. Ellis lived in Carmi where he was a carpenter and contractor and a justice of the peace. He also served as a truant officer for 13 years there. He was born in Cocke county, Tennessee.

The body is in the care of the Kittinger funeral home in Carmi and the funeral services will be held there at 2 p. m. Sunday. Rev. Mrs. Beck will officiate and burial will be in the Enfield cemetery.

Stratocruiser Overdue At Honolulu On Flight From San Francisco

HONOLULU (UP) — A double-decked Pan American Airways Stratocruiser with 44 persons aboard was reported overdue at Honolulu today and feared down in the darkened Pacific Ocean.

A Military Air Transport plane reported that it sighted blinking lights in the vicinity where the missing airliner made its last report at 8:04 p. m. e.s.t., Friday, on a flight from San Francisco to Honolulu.

The Navy Search Rescue Center at Pearl Harbor confirmed the report of the sighting of blinking lights. It immediately sent Coast Guard and Air Force planes to ward the area about 900 miles northeast of Honolulu shortly after 5 a. m. e.s.t.

The plane carried eight crewmen and 36 passengers aboard.

More than an hour after the reported sighting, search planes were still unable to locate the overdue aircraft.

Coast Guard Rear Adm. Stephen H. Evans, who is coordinating the search effort, said "time has run out" after the plane had been missing some 14 hours.

He immediately launched a massive air and sea search which will cover 100,000 square mile area between Honolulu and 1,100 miles to the east toward San Francisco.

McElroy Orders

Army, Navy Missile Race

WASHINGTON (UP) — Army space experts raced the Navy today in a new all-out effort to be first to shoot a U. S. satellite up with the Soviet Sputniks at the earliest possible moment.

The Defense Department's surprise decision to reverse itself and throw Army missile hardware into the program underlined the determination of the United States to catch up with the Russians and salvage lost prestige.

It also showed administration officials are trying to guarantee that a made-in-America Sputnik will be launched successfully, perhaps in a few weeks.

Predict Early Launching
Scientists associated with the U. S. satellite effort said Defense Secretary Neil H. McElroy's order Friday for the Army to backstop the Navy Vanguard program signaled an early launching. But they did

not try to guess who would be first. The Army said it is "confident" it can carry out the order to "supplement" Vanguard with a scientific satellite launched by a Jupiter experimental missile. The Army was reported to have had a satellite ready to go for six months at its Redstone Arsenal in Huntsville, Ala.

William M. Holaday, McElroy's guided missile director, indicated the decision of who will be first—the Army or Navy—will depend upon who has a satellite ready to launch first.

Navy On Schedule

The Navy has been proceeding along a pre-arranged timetable that calls for sending up six-pound test moons next month and a fully-instrumented satellite in March as part of the International Geophysical Year.

The missile director said the Army satellite will be cylindrical in shape — like Sputnik II—while the Vanguard artificial moon is round, like Sputnik I.

The Army's Jupiter C is a three-stage rocket which has flown as far as 3,500 miles from the Cape Canaveral, Fla., missile test range. It has hit speeds up to 12,000 miles an hour or more and altitudes of 600 miles. The speed needed to put a satellite into orbit is 18,000 miles an hour.

Two to Leave For Induction

The following two men will leave for the Induction Station in St. Louis Tuesday, Nov. 12:

SWEEPING STYLING CHANGES ARE APPARENT IN THE 1958 FORD CAR LINE—The Fairlane 500 Town Victoria (right) shares with all new Fords such styling changes as new safety dual headlights, corrosion-proof anodized aluminum grille, power flow hood, sculptured inverted V trunk lid and twin safety taillights. Engineering and design advances include new engine, new Cruise-O-Matic transmission and optional Ford-Aire suspension. The new Ford car line is now on display at Goodman Ford Sales, Harrisburg dealer.

New Fords Now On Display at Goodman's

The 1958 Ford car line featuring major styling changes, the most efficient engines in the car's history, a new automatic transmission and new optional air suspension, are now on display at Goodman Ford Sales, Harrisburg dealer.

Demonstrating the changes are 21 models on two separate wheelbases; the Fairlane and Fairlane 500, with an overall length of 207 inches, and the Custom, Custom 300 and the station wagon, measuring 202 inches.

The external appearance of the new car features Ford's sculptured in-metal treatment in which styling lines are molded into the sheet metal itself.

The new distinctive styling is emphasized in a front view of the massive wrap-around one-piece bumper with anodized aluminum "jet intake" grille, dual headlights, and Power Flow hood. New sheet metal treatment incorporates redesigned front fenders, new roof with seven front-to-rear flutes or grooves, and trunk lid and rear quarter panel innovations. From the rear, the 1958 Ford is distinctive with a "V" sculptured trunk

lid flaring into twin safety oval taillights.

Ford introduces new V-8 overhead valve engines in its 1958 line—the 332 and 352 cubic inch displacement engines.

The new 332 cubic inch engine, which will be standard on the Fairlane, Fairlane 500 and station wagon series, is available as an extra cost option in the Custom and Custom 300 series. The 352 cubic inch engine is an extra high performance option on the Fairlane, Fairlane 500 and the station wagon series. The economical "Mileage Maker" six is available for most models and the 292 cubic inch V-8 engine is standard on the Custom and Custom 300 series.

Cruise-O-Matic, an automatic transmission combining instantaneous "solid" response with nearly imperceptible up-shifting, is new for 1958. Coupled with the four Venturi 332 and 352 cubic inch engines and a low rear axle ratio, Cruise-O-Matic provides a new power train that combines overdrive economy with automatic transmission convenience, first such combination in the industry. The new transmission introduces a new drive position for solid feel take-off or all-out acceleration through all three gear ranges. An improved Fordomatic transmission also is available.

County ASC Office Still Has Funds For Soil Practices

The Saline county ASC office, located in the city hall, Harrisburg, has approximately \$3000 left to be used for ACP practices such as limestone, rock phosphate, pasture establishments, ponds, ditches, sod waterways and other technical practices. If you have your 1957 practice completed and would like to request an additional practice or if you have not signed for cost shares please contact the office at once.

The date for completing practices in all cases will be specified as December 31, 1957. The reporting date will be indicated as January 10, 1958. A request must be signed before the practice is started.

For further information please call at our office, Edgar V. Thompson, chairman, states.

(A round-up of the week's work, activities, and observations at the University of Illinois Dixon Springs Experiment Station near Robbs in southern Illinois, prepared by the Station's staff.)

It's Round-up Time Again

Last week peace on the pastures was the rule. Cows and calves grazed undisturbed with characteristic bovine contentment, while in the realm of man, records, check sheets, vials, syringes and vaccines were being assembled. This week the quiet was broken by the pounding of hooves, the "hi-yah, hi-yah" of drivers, the bawl of calves and the frantic, noisy milling of cows searching for the calves that had suckled only the day before.

Such an abrupt change can mean only one thing. It is annual round-up—the second week in November—when the yield, quality and health of the Station herd are appraised. Among the myriad of noises from man and beast, the observer will detect an unfolding of order that has become routine after years of round-up. This order of things started six or seven months ago when all calves at birth were ear-tattooed with a number. The sex, birth weight, dam and sire of each calf was recorded. This is where round-up began. Without this record the round-up under way this week would have little meaning. Appraisal of cows and bulls would be impossible and herd improvement accidental.

Follow a Calf Through

To follow the round-up procedure, let us start with a heifer calf, tattoo number 3645, dropped on pasture February 15 by cow number 2040. This little heifer had nothing to do but nurse, graze, romp and grow on verdant, rolling pastures until November 7. On that date she was 267 days old. That day, except for being a little colder and a little frostier than usual, promised to be the same for her as the days before. But suddenly horsemen rode down upon the herd and shoved the little heifer and her near and distant relatives to the barns and a corral. It was a strange place, barren of grass and made more frightening by men who separated the little heifer and other calves from their mothers.

Heifer 3645 was pushed onto a scale, and her weight was recorded: 510 pounds... not bad—she makes her mother look good. From the scale she was driven into a frightening, high narrow chute. Never had she felt such close confinement. Straight ahead at the end of the chute was a small opening and the promise of freedom. She bolted, intending with one great leap to escape through the hole. But the hole closed; she was caught in a head gate.

Men swarmed in. One put a noser in her nostrils and pulled her head aside, while another pierced her jugular with a needle to draw blood in a vial. The blood in this vial would be tested to determine whether or not she was free from brucellosis and leptospirosis. In less time than it takes to tell, she was needed three more times, once to vaccinate against black leg, once to vaccinate for brucellosis protection, and once to test for tuberculosis. A fecal sample was taken in a check for internal parasites. She was spared the pain of dehorning because as a day-old calf her horns had been stopped by a properly used caustic dehorner.

Tests at the University of Illinois show that cottonwood, properly seasoned, compares favorably in strength with other woods used for floor joists.

S.I.U. Country Column

By Albert Meyer

Planting forest tree seedlings of two softer-type hardwoods—cottonwood and sycamore—was the subject of this column recently. To day, let's consider two other hardwood species that grow fast and also prefer moist but well-drained sites such as bottomlands, lower slopes, and coves on farmland that should be producing timber rather than other crops.

Paul Lamendola, Illinois district forester at Murphysboro, has provided some information about tulip poplar and red gum—today's subjects—as good forest tree varieties for Southern Illinois farmers to consider in their planting program this year. Both varieties—along with others—are available at state nurseries for \$7.50 per thousand seedlings. The nearest nursery for area farmers is northwest of Jonesboro. Landowners interested in planting forest trees may obtain detailed information from their nearest farm forester. In Southern Illinois these have offices at Sparta, Anna, and Harrisburg.

Tulip poplar is one of the area's largest native trees for lumber, usually growing in Southern Illinois to three or four feet in diameter and 60 to 100 feet in height. On good locations some trees will grow to a diameter of 12 inches in 18 years. Seedlings will compete successfully with weeds on planting sites, but natural seeding is difficult in such areas because the poplar seeds are flat and wide. Hence, they cannot reach the soil sufficiently to become established upon germination. Seedlings should be planted eight to ten feet apart.

The wood of the tulip poplar is moderately soft and quite uniform in texture, holding nails well and not splitting readily. It can be worked easily and can be smoothed to a fine finish. The sapwood, of ten several inches thick, is white; the heartwood a yellowish-brown with a greenish tinge. The wood is suitable as finish lumber, siding, paneling, furniture lumber, and general lumber products. It also makes a good veneer wood. Lower grades are used for boxes and crates.

The red gum, or sweet gum, is abundant in old fields or in cut-over forests. It has high ornamental value because it has a good general appearance and its star-shaped leaves turn from yellow to purple in the fall to provide brilliant color to the landscape.

It is a common tree of lowlands that have plenty of moisture but are not subject to frequent or prolonged flooding. In Southern Illinois it will grow to 100 feet in height and three feet in diameter. Growth is rather rapid on good locations. One stand of trees from 40 to 45 years old recently measured nearly 100 feet in height and was growing at the rate of more than 1,300 board feet per acre annually.

The gum tree wood is moderately heavy and strong, of fine, uniform texture, and will take an ex-

cellent finish. The sapwood is nearly white. The reddish-brown heartwood is not present to any great extent in logs under 16 inches in diameter. Lower grades of the lumber are used for boxes and crates. The main products for which the better grades are suitable are veneers of the heartwood for furniture, radio and phonograph cabinets, and for interior finish lumber, millwork, woodenware, novelties, baskets, pulp, and slack barrels. The "sweetgum," or storax, is used in perfumes and drugs.

The red gum seedling may be planted successfully in competition with a moderate covering of weeds, grasses, briars, and short-lived shrubs. Good sites are well-drained bottomlands and coves, and the lower and middle slopes facing north and east. The seedlings should be planted at eight-foot intervals, requiring 680 per acre.

BIBLE THOUGHT FOR TODAY
He will beautify the meek with salvation. Ps. 149:4.

A mother who has sacrificed for a large family, thinking only of them and devoting herself to them is sure to be beautiful. Selfishness brutalizes the countenance. You can't put beauty on from the outside.

Set Evening Hours For Red Cross Course To Begin On Nov. 13
The time for the Red Cross Home Nursing Course, "Care of the Sick and Injured," which starts on Nov. 13, has definitely been set from 6 to 8 p. m. in accordance with the wishes of the majority enrolled for the first class being taught. The class will be taught by Mrs. Mabel Burton, a Red Cross home nursing instructor, from the Egyptian Health Department. Classes will be held in the Red Cross class room on the third floor of the court house in Harrisburg.
The class is not filled and enrollments can still be accepted. Call the Red Cross office or Mrs. Richard Davenport to enroll.
Additional classes are planned for the near future and will be announced as soon as possible.

"PLACE IN THE SUN" award winners from Saline County 4-H clubs, left to right, Charles Miller and Forest Jones, junior leader and leader respectively of the Raleigh 4-H club, and Mrs. Joseph Smith, Rebecca Christman and Sue Taylor, leader and junior leaders of Garden Heights 4-H club. These 4-H leaders and workers were honored during the Saline County 4-H Achievement program Friday evening for outstanding performance during the past year.

Four-H Awards Presented at Annual Achievement Program

Awards of various types were made to Saline county 4-H club members, leaders and to the organizations themselves during the annual Saline County 4-H Achievement program held Friday night in the auditorium of the Muddy grade school.

L. B. Kimmel, Saline county farm adviser, Mrs. Martin Hunt, Saline county home adviser, and Jack Yates, youth assistant, were in charge of the program.

Others interested in 4-H club work, including John C. Small and John Endsley, spoke briefly.

Mr. Small, chairman of the agricultural advisory committee for 4-H work, told of the many activities and benefits to be gained through participation in 4-H work.

Mr. Endsley proposed that consideration be made to the construction of a building for the use of 4-H club members in the county. Several in the audience expressed an interest in such a building.

There are approximately 20 4-H clubs in Saline county, both home economic and agricultural, and awards were made to the members for the successful completion of many projects during the past year.

Leaders with more than five years' service to 4-H, given recognition, were Mrs. Pete Holmes, five years; Mrs. Sim Richardson, six years; Mrs. Louie Gaskins, nine years; Mrs. Leo Fowler, 10 years and Mrs. Joseph Smith, 26 years.

Trophies to members exhibiting championship animals during the annual 4-H Fair were awarded to Danny Ecklund, championship swine, the trophy donated by Smith Packing company; Ellen Jane Morris, Grand champion Black Angus in the beef cattle division, trophy donated by First National bank; Tommy Tuttle, who showed the champion Guernsey and Grand champion in dairy cattle, received trophies from the S. S. Kresge Co. and W. G. Dutton.

The Garden Heights 4-H club received a plaque as the top Home Economics club and the banner for the top Agriculture club went to the Blue Ribbon club of Stonefort.

The 4-H Alumni award, made for the first time, was presented to Mrs. Wanda Thomas Bramlet. Mrs. Bramlet was a member of the first dairy club in Saline county.

Entertainment was furnished by the Stonefort club, presenting its blue ribbon winning act, "The 4-H Opry," and Gerald DeNeal, also a blue ribbon winner at the state fair, played the mandolin and sang.

Refreshments were served at the close of the meeting, attended by more than 150 4-H members and friends.

Steve Allen May Beam Show from Cuba; Names Selected for Baby

By WILLIAM EWALD
United Press Staff Correspondent
NEW YORK (UPI) — The channel swim...

Plans are just about set to beam an entire Steve Allen show from Havana, Cuba, early next year. In color, yet. Incidentally, Mrs. Allen (Jayne Meadows) will call the baby Barbara if it's a girl, Christopher if it's a boy — it's expected to arrive within a week.

Nan Fabray and CBS-TV are huddling on a new series that would be based on the book, "Guestward Ho" — "Seven Lively Arts" has coaxed Ernie Kovacs into one of its capers — sometime after the first of the year.

"Dick and Duchess" has had it at CBS-TV... The illness of Herbert Marshall's wife, has forced him to pull out of the "Beyond This Place" spec set for Nov. 25 on CBS-TV — Hurd Hatfield will pinch-hit.

Barry And Ed
The shift of "Harbormaster" from CBS-TV to the Sunday night schedule at ABC-TV in January will pit two Sullivan's against NBC-TV's Steve Allen — Ed and Barry... CBS-TV is trying to coax Jackie Gleason back to the wars with a one-shot dramatic script called "Banquet For A Failure."

Evelyn Rudie who once played "Eloise" on TV may return next season in a new series, "Cindy"... It looks as if the Tab, Rock, Rip, Race fancy-name cycle may be drawing to a close — Robert C.

Teen-Agers Begin Series of Dances

Teen-agers have started a series of Thursday night dances that are proving to be great enjoyment, Mrs. Dean Hill, director of Teen Town activities, reported.

Mrs. Hill said that the dances are money-making ventures for the Teen Town and that those who took advantage of the first dance at the skating rink Thursday night had a marvelous time.

Playing for the dances is Pearl's Rock and Roll band from Cairo, she added, stating this group will be on WSIL-TV every Thursday at 5 p. m.

Admission is 50 cents per person and all teen-agers are invited to come, she said. Adults are welcome to come and watch, she added.

Judge Orders Strict Silence by Couple Until Divorce Settled

CHICAGO (UPI) — Superior Court Judge Elmer N. Holmgren ordered a couple to use separate refrigerator shelves, wash their own dishes and maintain strict silence until their divorce case is settled.

Taras Tokarewyc, 30, and his wife, Mary, 44, were to share their three-room apartment in rigid silence under the court edict prescribed Friday.

The judge set the conditions after denying a move by Mrs. Tokarewyc, who asked the court to evict her husband from the apartment.

She instituted the divorce action on grounds of cruelty.

Moscow Silent On Dog's Fate

LONDON (UPI) — A silent Sputnik II passed over Britain early today but the Russians would not say whether its little canine passenger was dead.

The half-ton earth satellite was seen by telescope as it hurtled through space over southwest England — on a line between the Isle of Wight and Yarmouth.

But neither the British broadcasting listening post near London nor the Mullard Observatory at Cambridge heard any radio signals from it.

"We think it must have stopped transmitting but that is not to say that its batteries have run down," a Mullard spokesman said. "There might be other reasons."

He refused to elaborate on the "other reasons" but there has been some speculation that the cabin containing the dog has been ejected from the satellite and the transmitter with it.

Moscow Radio was silent on the dog's fate as were other Soviet sources.

Mrs. Frank Porter, McLeansboro, Dies

SPRINGFIELD (UPI) — Mrs. Nellie Porter, McLeansboro, widow of the late Frank Porter who represented the old 51st District in the Illinois Legislature for many years, died Friday at Memorial hospital here.

Mrs. Porter was born Oct. 31, 1881, at McLeansboro.

Funeral services will be held Sunday afternoon at the Methodist church at McLeansboro.

Yeager Named To State Board

SPRINGFIELD (UPI) — Mayor Lewis Yeager of Litchfield Friday was appointed by Gov. Stratton to the advisory board of the state Industrial Planning and Development Division.

Yeager succeeds the late James Stupka, Kankakee, as a member of the 15-member board. The division was set up by the 1955 Legislature to help attract industry to Illinois.

Stratton also appointed Bert C. Hopper, Taylorville, as a member of the state Commission on Human Relations.

Eisenhower Calls On Public to Join in Thanksgiving Prayers

WASHINGTON (UPI) — President Eisenhower in his annual Thanksgiving Day proclamation today called on the American public to join with him Nov. 28 in prayers of thanks "for our manifold blessings."

"Let the happiness which stems from family reunions on Thanksgiving Day be tempered with compassion and inspired by an active concern for those less fortunate in our own country and in other lands," the President said in his proclamation.

Order Franklin County Audit

BENTON, Ill. (UPI) — Franklin County State's Atty. Joseph Hickman has asked a Peoria firm (Coker and Coker) to investigate alleged irregularities in the Franklin county treasurer's office.

Hickman said he received a statement from a former clerk of Treasurer Jess Britton, a Democrat, charging irregularities.

The county board of supervisors voted down a bi-partisan investigation of the office. However, a Republican minority bloc called for a grand jury investigation on the basis of the clerk's statement.

Hickman, a Democrat, said Friday he has asked the Peoria firm to make an audit. He said if the audit discloses sufficient information the Circuit Court would be petitioned to call a grand jury.

"We do not intend that public utterances of any persons whose concern with the county's welfare may be tempered by their desire for publicity and political advantage shall interfere with the regular, orderly and proper administration of the criminal laws in this state," Hickman said.

Storms Rip Midwest Areas

By United Press
As the Southland counted its death toll from an epidemic of killer tornadoes, a storm ripped down from the Great Lakes today spewing a litter of ill-tempered gusts over the Midwest.

Authorities at Alexandria, La., said 13 persons were killed and 260 injured in the sudden onslaught of out-of-season tornadoes that hit three southern states Thursday night and Friday morning.

The twisters' poor relations, meanwhile, sent bone-chilling winds and freak gusts across the Midwest, causing at least four deaths.

Raw winds and cold air — Chicago reported 63-mile-per-hour winds that toppled trees — swept into the Mississippi Valley and whipped up light snow flurries.

The expanding cold front caused temperatures to drop to the 20s in central New York and to the 40s in the northern portions of the Gulf states. Sub-freezing temperatures were seen by sunrise early today at points as far south as the southern plains and into the southwest desert.

Mrs. Glen Muckley Succeeds Mrs. Cutting As Girl Scout Chairman

Officials of the Saline County Girl Scout Neighborhood Association attended a special call meeting Thursday evening at the home of Mrs. Leland Cutting to fill a vacancy created by the resignation of Mrs. Cutting.

Mrs. Cutting has been chairman of the Saline County Neighborhood Association since Saline county became a part of the King Coal Council, and is resigning because her husband, a government worker, is being transferred out of the area.

Mrs. Glen Muckley, of Eldorado, who has served as vice chairman, automatically became chairman, and Mrs. J. R. Hunter was appointed vice chairman.

In Memoriam
In loving memory of my sister, Mrs. Eva Hamilton, who died Nov. 9, 1956, one year ago:
You are gone dear sister, but not forgotten.
You live with us every day. We love you still.
Sadly missed by sister and husband, Mr. and Mrs. Logan Dempsey. 114-1

In Memoriam
In memory of our mother, Mrs. Eva Hamilton, who passed away one year ago Nov. 9th.
"Mother was tired and weary, Weary with toil and with pain; Put by her glasses and rocker She will not need them again. Into heaven's mansion she's entered
Never to sigh or to weep, After long years with life's struggles
Mother has fallen asleep.
"Near other loved ones we laid her, Low in the churchyard to lie, And though our hearts are near broken,
Yet we would not question why, She does not rest 'neath the grasses Tho' o'er her dear grave they creep,
She has gone into the kingdom, Mother has fallen asleep.
"Rest the tired feet now forever, Dear wrinkled hands are so still; Blasts of the earth shall no longer Throw o'er our loved one a chill, Angels through heaven will guide her,
Jesus will still bless and keep; Not for the world would we wake her—
Mother has fallen asleep.
"Beautiful rest for the weary, Well deserved rest for the true; When our life's journey is ended We shall again be with you. This helps to quiet our weeping, Hark! Angel music so sweet! He giveth to His beloved, Beautiful beautiful sleep,"
Mr. and Mrs. Louie Cash, Mr. and Mrs. C. C. Hamilton, Mr. and Mrs. W. C. Hamilton, Mr. and Mrs. Tommy Hamilton and children, Gerry and Debbie. 114-1

Card of Thanks

JOHNSON-MARTIN — The families of Ernest Johnson and Charlie Martin wish to thank their many friends, relatives and neighbors for kindness and sympathy and beautiful floral offerings received during their bereavement. They especially thank the pallbearers, the flower bearers, the Miller funeral home, the Rev. Ernest Ammon, the Rev. Eugene Nolen, the Rev. Bernie Smith, the quartet, nurses at Lightner hospital and Dr. Sloan and Dr. Hauptmann. All that was done and said in love and sympathy is sincerely appreciated. May God bless you all.
The Martin, Johnson and Sullivan Families. *114-1

HOW SMALL, YET HOW BIG

How small a man seems—walking down a lonely road on a rainy day, with gaunt trees towering over him. How small man is, and how frail in body. The trees in the picture and even the chimneys on the old house will probably long outlive the man.

Yet how big man is—in the things that are not of the body, but are of the mind and soul. God has not made man mammoth. But He has made him potentially great—if he will but accept the blessings given him, and use the tools of Christian teachings.

Man finds in the Church, the encouragement and the instruction to enable him to make from his God-given divine spark something great and enduring—and of benefit to all human-kind.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sophomore-Studded Shawneetown Indians To Play At Ridgway Tuesday Night

"Looks like a team for the future, maybe next year, maybe two years from now," said Coach Darwin Valter as he watched the sophomore-studded Shawneetown high school age squad work out.

Valter, back at Shawneetown after a year's absence to attend law school, has a varsity squad of 15, including nine sophomores, four juniors and two seniors. There also are four freshmen practicing each day.

There probably will be four sophomores on the Shawneetown starting five when the Indians invade Ridgway for the season's opener Tuesday night.

The only two sure starters, Valter says, are Charles Monroe, 6-1 senior, and Jim Cox, 5-9 sophomore. Other spots are wide open, with soph catching the eye of Valter, especially when he begins to think of the future.

"We are young, inexperienced, face a tough schedule, but the spirit is exceptionally good and we will be hustling all the time," is the quick w-p-up given on the season by the coach.

In addition to the Greater Egyptian conference schedule, with the league looking to be better balanced than in past seasons, Shawneetown faces a couple of big schools from the middle of the state—St. Anthony of Effingham plays at the Gallatin county school Nov. 30 and on Jan. 11 Shawneetown plays Eisenhower high school of Decatur.

The roster: Charles Monroe 6-1, Larry Jennings 5-7, seniors: Dean Brazier 5-8, Don Pierson 5-10, Hobe Ellis 5-6, Bill Gossett 5-11, juniors: Leon Hunsaker 5-10, James Brazier 6-4, Tom Awt 5-8, Joe Wright 5-8, Ben Ellis 5-3, Jerry Potter 5-11, Chub Orman 5-8, Jim Cox 5-9, Herbert Covest 5-11 sophomores.

Freshmen are Emmett Mayhall 5-6, A. K. Phillips 5-7, Dan Case 5-6 and Rod Barker 5-7.

Whatever Happened to— James J. Braddock

By United Press

The depression and a fading fight career sent Jim Braddock back to the New Jersey docks in 1933 to feed his hungry family. Only a year later, in a comeback he launched to get an occasional extra payday, he became boxing's "Cinderella man" by upsetting 8-1 favorite Max Baer for the heavy weight championship of the world in 1937, in as gallant a fight as a fighter ever made, he lost the crown by an eight-round knockout to young Joe Louis.

Whatever happened to Jimmy Braddock? Today at 51, he owns a ship's chandler store dealing in surplus supplies and personally runs the thriving business at North Bergen, N. J.

Ramsey Leads Celtics, 122-110 Win Over Royals

By United Press

Ex-Kentucky ace Frank Ramsey has come into his own during Bob Cousy's absence to give the Boston Celtics still another super star.

And the net result is that the Celtics have stretched their unbeaten skein to eight games today—seven fewer than the all-time National Basketball Association record for the start of a season.

The 6-foot, 4-inch guard supplied the heroics in true Cousy style Friday night when the Celtics beat the Cincinnati Royals, 122-110, in overtime at Cincinnati. He tied the score at 104-104 with two free throws after the final buzzer and then scored two field goals in the first 30 seconds of the overtime to spark an 18-6 "clutch drive" that won the game for Boston.

The victory gave the unbeaten Celtics a three-game first place lead in the Eastern Division over the Philadelphia Warriors, 119-108. The New York Knickerbockers downed the Syracuse Nationals, 104-99, in the other game Friday night and now trail the runaway Celtics by three and a half games.

Mining Firm is Replacing Fish In Little Muddy

SPRINGFIELD — The state Conservation Department today announced Truax-Traer Mining Corp. has begun replacing fish killed by mine pollution last Aug. 2.

Conservation Director Glen D. Palmer said the company agreed to full restoration of the fish and elimination of the cause of pollution after a meeting with the state Sanitary Water Board.

The fish to be placed in the river by the company will be bought from private breeders and will include 20,000 channel catfish from 8 to 14 inches in length, 4,000 crappies from 4 to 7 inches long, and 20,000 bluegills and a number of breeder bass.

Value of the fish destroyed was placed at \$30,000.

The pollution disturbed the river between De Soto and Elkhart and came through a drainage ditch. The pollution was caused by mine acids.

Herrin Wallops Marion, 66-6; Centralia Blanks West Frankfort, 35 to 0

By United Press

Jacksonville edged previously unbeaten Springfield Cathedral 7-6 in a snow storm Friday night to complete its second straight perfect season and wrap up the Central Conference championship as the Illinois prep football season came to an end for most teams.

Only flu-postponed games and some Thanksgiving Day special battles remain to be played as most teams completed nine game seasons Friday.

In South Seven conference games in southern Illinois Herrin smacked Marion, 66-6, and Centralia walloped West Frankfort, 35-0.

In other southern Illinois games Mount Vernon edged Salem, 7-0; Carmi beat McLeansboro, 32-6; Carterville blanked Norris City, 25-0; Johnston City defeated Zeigler, 38-13; Sparta whipped Chester, 28-7; Anna won from Shawnee, 26-6, and Du Quoin took Pinckneyville, 24-6.

Jacksonville's victory over Cathedral, which had won 7 and tied 1 this year and was on its way to an unbeaten season, was its 20th straight.

Among other perfect record teams which added new victories Friday were Gibson City, which turned back previously unbeaten Watseka, Peoria Woodruff, Peoria Manual, Rock Falls, Ottawa, Shelbyville (tied once), Onarga, Newton, and Chicago Heights Bloom.

Arcola, which was headed for a perfect season, could do no better than a 13-13 tie with Tuscola.

Gibson City was scored on for the first time this season but still beat Watseka 14-7.

Bloom dumped Kankakee 32-0. Peoria Woodruff socked East Peoria 44-0, and Peoria Manual racked up a 73-0 verdict over Decatur.

Rock Falls clipped St. Mary's of Clinton, Iowa, 33-8. Ottawa rolled over Ottawa Mar-

Pheasant Hunting Season Opens At Noon Monday

SPRINGFIELD (AP)—The pheasant hunting season opens in Illinois at noon Monday and will run 20 days, through Nov. 30, the state Conservation Department reminded hunters today.

The daily limit is two cock pheasants and the possession limit is two on opening day and four thereafter.

After opening day, shooting hours will be sunrise to sunset.

Department biologists who check

the upland bird census reported prospects are bright for another good season. Cover is plentiful and the birds produced well during the nesting season.

On the duck and geese hunting fronts, meanwhile, the department said prospects were brightening for goose hunters but that duck hunters still need colder weather to bring in the birds.

The Canada goose concentration on the three big refuges in southern Illinois mounted to 234,000, an increase of 21,000 birds over last week and 72,000 more than were on hand at this time last year.

Duck hunting was poor in most places because of mild weather.

Looking at Sports

BY BILL MELTON

Flu has caused the re-scheduling of the first two games on the Equality high school basketball schedule.

Coach Anthony Franc has revealed that not only was Friday's game with Thompsonville postponed, but also the Galatia-Equality game scheduled for Tuesday, Nov. 12, also has been re-set.

Thompsonville's game has been re-scheduled for Monday, Dec. 16, and Galatia will be at Equality Saturday, Feb. 1.

Coach Franc states plans are to reopen the Equality high school Tuesday, but he felt it best to postpone the game scheduled for that evening as there was no way to know if the player would be physically able to play. The postponement request was agreed to by Galatia school officials.

Probably the most colorful and complete printed basketball schedule to come across my desk in a long time is the Shawneetown schedule of this season.

It's a two-color affair, red and black on white paper. In the upper left corner of the front cover is a "Happy, grinnin' Indian." The schedule has home games in red, away-from-home games in black. On the back cover the Board of Education is listed, then the faculty and at the bottom the cheerleaders.

The inside is really a masterpiece. Coach Darwin Valter is working with a 15-man squad and individual photos of the players, with nicknames, cover the inside, along with the words "Follow These Young Indians."

Monday Eldorado faces Cairo and Zeigler plays Johnston City.

Hiller is credited with 30 TDs and 17 extra points to 29 TDs and 3 PATs for Fequay.

Hiller's 61-point spurge against Elkhart a few weeks ago caused much comment and brought headlines in the newspapers. However that tremendous effort has been overshadowed in Little Egypt.

Fans up Salem say Danny Wile tallied 87 points against Fairfield back in 1943, in a game won by Salem 188-0.

Eldorado's 34 points scored against Metropolis ran the team total to 367 in 8 games—an average of 46 per contest. The opposition has scored 32—an average of four.

Herrin is second high scorer among southern Illinois teams with an even 300 points. Anna has the top defensive record, having allowed just 30 points in eight games.

Donnie Seay, veteran guard on the Rosiclare basketball team, suffered a broken jaw in a practice scrimmage Tuesday and according to reports will not be available for play for some time.

Coach Bill Piland is quoted as saying Seay broke his jaw on another player's head and the jaw was wired together with 16 wires. Rosiclare is the Carrier Mills' homecoming opponent tonight.

Junior High to Open Basketball Play on Tuesday

The Harrisburg Junior High school basketball season opens Tuesday at Carbondale and the first home game of the season is listed for Thursday with Norris City the visiting team.

This season Harrisburg will play an 18-game schedule and participate in a conference tourney the week of Dec. 10-14, site to be determined at a later date.

Members of the conference are Harrisburg, Carbondale, Johnston City, Marion, Herrin, Benton and West Frankfort.

Louie Beltz and Stobert Abney will coach the eighth and seventh grade teams respectively.

Complete schedule:
Nov. 12, Carbondale there.
Nov. 14, Norris City, home.
Nov. 19, Johnston City, home.
Nov. 21, Marion, there.
Nov. 26, Herrin, there.
